New confirmed case of COVID-19 reported by Thunder Bay District Health Unit

Thunder Bay District Health Unit (TBDHU) is reporting 1 (one) new COVID-19 case in a resident in the TBDHU Region.

For the full list of confirmed cases of COVID-19 in the Thunder Bay District Health Unit area, please visit the [TBDHU Website](#).

Details of confirmed case(s)

Case Number	Age	Gender	Exposure category	Status	Episode Date (dd/mm/yy)	Area
Case #79	30's	M	Pending	Self-Isolating	05/05/20	Thunder Bay and Surrounding Areas

*Episode date corresponds to earliest date reported according to following order: symptom onset date, specimen collection date, laboratory testing date, date reported to TBDHU

All people who have travelled outside of Canada are directed to self-isolate for 14 days from their arrival in Canada.

If you think you may have COVID-19 symptoms or have been in close contact with someone who has it, first self-isolate and then use [Ontario's Self-Assessment Tool](#) to see if you need to seek further care.

Visit the [TBDHU Website](#) for more information or contact TBDHU at (807) 625-5900 or toll-free: 1-888-294-6630.

The Public Health Agency of Canada posts information on [COVID-19 exposures on flights, cruise ships, and mass gatherings](#).

Visit [Ontario's website](#) to learn more about how the province continues to protect Ontarians from COVID-19.
