New confirmed case of COVID-19 reported by Thunder Bay District Health Unit

Thunder Bay District Health Unit (TBDHU) is reporting 1 (one) new COVID-19 case in a resident in the TBDHU Region over the weekend.

For additional information on the status of COVID-19 cases in the Thunder Bay District Health Unit area, please visit the [TBDHU Website](#).

Details of confirmed case(s)

Case Number	Age	Gender	Exposure category	Status	Episode Date* (dd/mm/yy)	Area
Case #105	-	-	-	-	-	First Nation Communities (SLFNHA)

*Episode date corresponds to earliest date reported according to following order: symptom onset date, specimen collection date, laboratory testing date, date reported to TBDHU

The Sioux Lookout First Nations Health Authority leads the case and contact management for COVID-19 cases in the communities that it serves. Under the provincial reporting system, cases in communities that are in the TBDHU area will be included in the TBDHU case count where applicable. Please refer to SLFNHA for further details on cases and the COVID-19 situation in those communities.

Visit the [TBDHU Website](#) for more information or contact TBDHU at (807) 625-5900 or toll-free: 1-888-294-6630.

All people who have travelled outside of Canada are directed to self-isolate for 14 days from their arrival in Canada.

The Public Health Agency of Canada posts information on [COVID-19 exposures on flights, cruise ships, and mass gatherings](#).

Visit [Ontario's website](#) to learn more about how the province continues to protect Ontarians from COVID-19.
